Elise Wigg – Tribute Wednesday 28th October would have been Elise's 21st Birthday and today we will remembering her in a Minutes Applause before todays Kick Off.

Elise joined our football club in 2013 and was part of the squad that won the County Cup and League Cup Finals to secure a cup double in her first season. Elise signed on again for the 2014-2015 season and and soon became settled in the position of Right Back.

She was very tenacious and loved to tackle and although small in size not many players actually got the better of her. She was a quick learner and developed into a fine young player and she made this position her own and the number 2 shirt became 'her shirt'.

Elise signed on again for the 2015-2016 season which was to be her last with the club as she decided to leave in January 2016 to take a break from football. She joined us a shy anxious young girl and left us two years later a confident funny young lady.

As a community football club we were all greatly shocked and affected by her sudden passing and her memory will long live in the Enfield Town Family. We would like to express our thanks to Ashford Town (Middlesex) Women for their kind support today.

2 v 0

Last Sunday saw the Ladies arrive at Canvey Island Football Club with 5 players missing from the week before and Carla Perez making her first team debut, against a very strong League Rival in the 2nd qualifying round of the Vitality Womens FA Cup.

The first 15-20 Minutes were very open with stand in Goal Keeper Kerrie Marlborough rolling back the years making some fine saves early on, whilst we also had a few chances to score ourselves but failed to hit the target. The rest of the first half was very even with a couple of half chances at either end but both teams failing to break the deadlock.

The second half started much the same as the first until the 75 minute when a Danielle Smith through ball to Courtney Cook on the half way line set her clear and as she ran into the box she steadied herself to shoot across the keeper into the bottom corner to put the Ladies 1-0 up. Hashtag tried in vain to get back in to the game but the defending from the front was immense and there was no way through a very well drilled Enfield side.

With Hashtag running out of time for an equaliser, Danielle Smith intercepted a Hashtag ball in her own half on 92 minutes and she ran from own half to the edge of the box and crossed perfectly for the oncoming Beau Parker to side foot the ball past the keeper to make it 2-0. Classic counter attacking football at its best and a deserved win for the Ladies.

We have now drawn old league rivals Luton Town Women Away in the next round for a place in the first round proper for the first time in 4 years. The tie is to be played on Sunday 1st November.
