

ENFIELD TOWN LADIES FC

SPONSORSHIP OPPORTUNITIES

Our first team are looking for sponsors for the 2021-2022 season.

Playing in the FA women's national league, we can offer a wide range of opportunities to promote your company.

Please contact us at media@ladies.etfc.london

ABOUT US

In 2003 we formed official links with Enfield Town FC (Men's), which was set up by the supporters of the defunct Enfield FC, leading us to be called Enfield Town Ladies FC.

In partnership with the Mens Section at Enfield Town FC we as a club were awarded FA Charter Standard Community

Award Status in 2014 which is a very prestigious award and the highest recognition of a grassroots football club within the FA. An FA Charter Standard status club is a clear demonstration to all parents, sponsors and the public, that a club;

- Is well-organised, safe and offers opportunities for all
- Has FA-qualified coaches as standard
- Adheres to FA Respect Policies and Codes of Conduct
- Prioritises Child Welfare
- Maintains appropriate levels of discipline
- Has access to the County FA and FA regional workforces
- Can use the coveted 'Three Lions' FA crest on its marketing and business materials.

We compete in the FA Women's National League (Step 3/4) and participate in the Women's FA Cup and play our home games at the Queen Elizabeth II Stadium which is shared with the Men's Teams.

Promotion is an ambition for the First Team to play at the highest level possible in the women's game following their most recent success in 2016 when they reached an FA Women's National Cup Final for the first time in their history.
